Warszawa 20th February 2015

## Conformity declaration CE

We confirm compliance with the Toy Safety Directives 2009/48 EC

We also confirm, that our production and all materials used for production board books are according to DIN EN71-1 : 2011 + av. 3 2014, EN71-2 : 2011 + av. 1 2014, EN71-3 : 2011 + av. 1 2014

In addition our products meet the not harmonized EN71-9

We further confirm that the phthalate DEHP, DBP, NBBP, DINP, DIDP and DNOP aren't components or substances in preparations of materials used for board books production and therefore aren't exceeding the restrictions defined within actual directive 2005/84/EC.

The inks used a tour printer are AZO-free.

Our products are free of SVHC-substances as to the actual ECHA-candidate list under REACH EC 1907/2006.

Best regards,

Mariusz Rolka
